APRIL 2008

NSLW/NSBW PREVIEW 2008-09 • CNIC WRAP • GET JUICED! • EARTH DAY

On the Market

SCORE 100% If you need juice that meets nutrition

standards for reimbursable meals, **Juice Tyme** offers shelf-stable, vitamin-fortified 100% juices. Each 8-oz. serving contains 120 calories or fewer and meets guidelines from the U.S. Department of Agriculture and the American Beverage Association. Vitamin fortification provides 100% of the Recommended Daily Allowance (RDA) of vitamin C and 10% of the RDAs for vitamins A and B6. Among the available flavors are Strawberry Kiwi, Fruit Punch, Pineapple Orange and Blue Raspberry. School nutrition operators can dispense the juice through a countertop machine, hand mix it or freeze it to create a slush drink. Call (800) 236-5823. Learn more at www.juicetyme.com.
